## Matter WJJF UK CIC

Use of the logo.

Our law firm, after having examined the matter of the logo, they are specifying:

The Publications & Promotion srl and Sirs Mrs Nataschia Argia Bertoletti are Holder of a number of logos: among them

The two logos (in the two graphical shape registered) are by now validated, and

no-one could challenge their use in Italy, unless by judicial action at the special court in Italy.

At present, we are not in a position to use the only EU logo, subject to the recent decision EUIPO. This is currently under appeal. The decision of EUIPO is in relation only and exclusively to that declination of the logo.

The Italian logos of which we are the owner can be used in Italy and we can grant licence in Italy of the logo to several Associations. In reference to the possible licences outside Italy, this may be used on the basis of the license, for use made over the years in the individual countries.

As for the counterpart, it should be clarified that the World Ju-Jitsu UK CIC holds the following mark both in England (UK) and at EU level.

That said, the brands of the World Ju Jitsu UK CIC, are successive (of 2015) compared to ours:

We have the prior rights. Because of this, we transmit the above to our main partners as a way to operate for them, to use the brands as protection, and the above written.

The complaints made by Mr. Hart also through Facebook, are not reflected in law, by using the two brands in the two forms filed (and without graphic changes) which are in our full ownership.

We hope to have for the moment answered the main issue that we really want to resolve.

Kind regards

Giacomo Spartaco Bertoletti

## Will Steven Seagal be in Italy?

Venice 30th August 2018, Hotel San Clemente Palace Kempinski, many would not have believed it, and nevertheless it happened.

After Mark Alan Dacascos, Linda Lee Cadwell (Bruce Lee's wife), Chuck

Norris, Bill Wallace, here we are with the Ambassador for the sport between Vladimir Putin (Russia) and Donald Trump (USA): Steven Seagal.

American actor and martial artist, he was present at the 75th Venice Film Festival for the presentation of a new online distribution platform that will be inaugurated by a film in which Seagal himself will be the protagonist.

Despite the fact that he was very busy with a heavy schedule, he was able to meet the master Giacomo Spartaco Bertoletti, owner of the most important martial arts magazine in Italy, "Samurai", and all the staff at the San Clemente Island in Venice. of the New Cisa Asd, Marco Cavalli, Andrea Cainero and Stefania Vergente.

The meeting, witnessed by the photography in the attached puzzle, has allowed to lay the foundations for a future project that will see Seagal and the martial arts protagonists with two possible stages in Italy in 2019.

The action star and martial artist has recently obtained from the Russian Foreign Ministry the position of special representative for relations with the United States, a similar role to that of the goodwill ambassadors of the United Nations. It will deal with promoting relations among states in humanitarian and sports fields to which the actor is particularly linked.

From the United States to Russia, passing through Italy, in particular to Lombardy and Friuli Venezia Giulia, more and more capital of great events in the martial arts world, thanks to the ten-year partnership between Bertoletti and New Cisa Asd.

And now we only cross our fingers.

## Chopin's music

It was with great pleasure that I accepted an invitation to teach in "Lider Bushido club" in Naas, just outside Dublin in the South of Ireland. The event was the first of its kind for the club and supported by many high level instructors from around the greater Dublin area - also from President of PAJJ-PIJKA, Soke Eugeniusz Sikora, who travelled from Poland for the Event.

The seminar opened with demonstrations from the local instructors, followed by an intense training session with both Adults and children. At the break I was shown some real Polish hospitality by the group and their families who had put on a wonderful spread of Polish cakes and foods.

The second half of the night was taken up with more mat work and the closing ceremonies, where gifts were exchanged and Photos taken.

While this was my first visit to the group, i hope it will not be my last. I had a fantastic time, the students were really appreciative and eager to learn, and I and my two assistant coaches who made the road trip with me, Danuta Smolinska and Ryan McClean, were given a very warm welcome. Thanks must be given to Sensei Krzysztof Kosmider and his partner Keroraina.

**XVIII Asian Games**

Jakarta (Indonesia) 18 August - 2 September 2018  
 Shihan Stephen Chee, Shihan "Wjjf / Wjjko 1976" in Singapore, back from the 18th Asian Games in Jakarta appointed by the Judo Union of Asia, as international technical officer, tells us some peculiarities about the Games.  
 In Jakarta I knew that the person in charge of the organization was the good friend of Gsb, of Macao, president of the Federation and sports director of JUA, Mr. Chee Kuong Hon.  
 It's a small world! everyone knows each other and he asked me to give you his regards.  
 In addition, I met Mrs. Elisabetta Fratini (Italy) at the Gala dinner, organized by Mr. Chee for the excellent work done for the Asian Games, along with other Sports Directors of each country.  
 To Mrs. Fratini, who knows you well, I introduced myself as your pupil.  
 The attached photos taken at the 18th Asian Games in Jakarta, Indonesia are a small indication of its success.

Dear Alan, I tire of your insults and false news, so much of it is very old news at best.

I had many conversations with Soke Clark on our 37 years together: how he felt *at one time* you could be his successor, however your behaviour off the mats did not concur with your ability on the mats and it was bitter sweet when the decision was made for you to go to Australia. He needed someone to take over the reins from him but he did not see you as fit for that position. As you will know, when you wished to return some years later - the answer was "your time has passed". Surely this is so, or Soke Clark would have given you control of his Dojo in Liverpool? And now you bow down to Bob Hart. someone who has no Martial pedigree and, I would suggest, very little skill.

With regard to the logo - my family have owned the rights since 1990 in Italy registered No. 1317887 (RM2010C004488) & confirmed by the Ministry of Economic Development Italian office Patents Transcription NO.602017000014373 with protocol no. 186837 (June 2018). This is not in dispute and I confirm that our HQ is operating very successfully in Milan / Italy.

(Yes it was well played, if a very underhand action, for Robert Hart to register the same logo in colour a mere 3 years ago, and by a company which was only set up in 2014. This has caused confusion for many but my 43 years of work encompasses far more than the logo, designed & given to me by my friend Roland Maroteaux.)

So Alan, let the cards fall as they may. I am still here and I have loyalty from those I respect. I need nothing more, for they are the future - not you. Our groups are as strong as ever. I wish you well in everything you do but most of all - as a young boy I once new, and as a martial artist I once respected - I wish you peace of mind as you surely can not have it at this point - that is clear by your actions. Please refrain from continuing to contact me - I see no purpose to it - I am a very busy man & I am in agreement of my good friend Robert Clark's assessment of the situation.

Best Regards

  
  
Francesco Bertolotti

# Les associations se présentent

Tous les deux ans, l'ensemble des associations haguenviennes affiliées à l'Office des sports et loisirs présentent le temps d'un week-end leurs activités à l'occasion d'un vaste forum à la halle aux Houblons.

DEPUIS 2004, en cette période de rentrée, l'Office des Sports et loisirs (OSL) de Haguenau, réunit tous les deux ans à la halle aux Houblons l'ensemble (ou presque) des associations haguenviennes. Dans un véritable inventaire à la Prévert, les quelque 80 associations présentes ce week-end offraient une très large palette d'activités. Qu'elles soient sportives, culturelles, caritatives, ludiques ou pédagogiques, elles avaient la possibilité de présenter leurs activités aux nombreux publics.

Ce forum aura également été l'occasion d'honorer des bénévoles méritants. PHOTO DNA

Un podium pour des démonstrations

Ce forum a le double mérite de présenter la richesse de l'offre associative haguenvienne mais aussi d'offrir une opportunité, en attendant de décerner des médailles.
