### Try to be serious!!

Dear colleagues, zuishin,

As you already known by the social network our organization is working to promote the celebration of forty years of the WJJF (today WJJF/WJJKO) born in November 1976 in Liverpool thanks to the willing of the Soke Robert Clark and myself and in addition the participation of Beryl Miao.

The party of the forty years anniversary will be held in Rome “caput mundi” capital of the world, as the Latin called it since its birth on the 21st April 753 a.c.

This being said, we have to note with astonishment and with a certain surprise that also the WJJF UK, only very recently taken over with the majority shares held by Mr Robert Hart, would also like to celebrate the 40 years of the birth of the Wjjf without considering that it was founded by Soke R. Clark and by myself the present International President and by Beryl, and therefore is spontaneous the question “how is it possible to think to be legitimate to celebrate the birth of one Federation created by someone else????

In front of this insolence of the Wjjf Uk, it is not my habit to replicate and I do not do it... but

As it is commonly said “a little word to the wise”

Our intention is to organize a great “party” under the banner of peace and in memory of a great person Soke Robert Clark who sincerely hoped better from a lot of his students, who unless they have distanced themselves from the genuine way of the Wjjf, will be equally invited to participate.

The celebration of the forty years anniversary will be under the aegis of the mark “Robert Clark Foundation” as a confirmation that this is happening. Sorry if this appears that we are playing games, but this is by way of demonstrating our unique and only inheritance given by the one and only real Soke of the Wjjf, Soke Robert Clark.

### It's a Family Affair

Padhraig Magill joined WJJF in 2004, and after completing Junior Black Belt was the first to achieve Tenth Gold Tab Kobudo Award within the Dojo, Ballymena. He has now been training for 11 years in total and has successfully graded to Senior Black Belt. Examiners on the day highly commended the student's standard.

(Photos: baby Magill – shot of Paddy as he eagerly awaited turning the right age to start Martial Arts! & with proud father)

Padhraig's father, well known local man Master Liam Magill, a volunteer coach at the dojo, also graded to the prestigious level of 6th Degree black belt – a grade which is by invitation only. His instructor: Kai cho of WJJF Ireland, David Toney put him forward for the grade, and it was accepted at International Level by president of the organisation worldwide – Shike Giacomo Spartaco Bertoletti. At this level of Martial Arts, the grading can be a gruelling test of both fitness and skill, so the Dojo are delighted that Master Magill has been successful.

(pictured being presented with the certificate by Shihan Kai Representative, David Toney President of WJJF Ireland and receiving the traditional martial ‘punch to the stomach’ for his success, by Shihan Alan Petticrew of Ards Peninsula Group who examined on the day.)

Liam volunteers for the dojo to coach the young students who are grading for their Kobudo Gold Tab Awards. These young students, together with their other Coach Jock Hunter Snr, presented Liam with their own special surprise award to thank him for his work and congratulate him on his success.

### France : Roland Maroteaux 9° dan honore une nouvelle fois au Japon

Pour son dernier voyage au Japon en juin de cette année, le maître français Roland Maroteaux a voulu suivre un dernier entraînement de ju-jutsu traditionnel en dépit de son âge (71 ans) et de son niveau (9e dan Hanshi).

C'est ainsi qu'il a suivi une formation réservée aux instructeurs « troquant » sa tenue habituelle de « sensei » pour une tenue bleue d'entraînement, en toute humilité. « Je suis pratiquant d'abord – dit-il depuis des années – enseignant

Au Japon, il a participé également à la reconstitution de la célèbre bataille d’O-

A l’issue de son stage, il a passé un test devant un jury et a réussi les épreuves. Il  
s’est vu décerner le menkyo de « Chuden » en ju-jutsu Mondo-ryu des mains de

Takeda-ryu, notamment pour des détails subtils.

Voici 40 ans, en 1974, il se rendait pour la seconde fois au Japon et en revenait

IT was in the air in the last time, but as  
everything in life, till the end, we never are  
sure of anything.

As we always believe, the delivery of the high

particular commission.

The “old guard”, which “die but never succumb” as the old napoleon guards  
said. Only was missing Soke Vlado Smith, beyond the 80, is not easy.

### The speech to Paul G Hoglund, President of WJJC

Speech during the Gala Dinner event in connection with the 30 years' Anniversary and Jubilee of the Hungarian Ju Jitsu Association and its Founder Istvan Kelemen, Budaörs Sporthall, Hungary, on Saturday 6th June 2015

Dear President Istvan Kelemen of Hungarian Ju Jitsu Association, Magyar Ju Jitsu Szövetség, Dear Colleagues and friends in Martial Arts, Dear All, International guests, Congress participants and Friends in Sport!

We are all here today guests at a very prestigious and important event, organized for the celebration of the 30 years Anniversary and jubilee of the Hungarian Ju Jitsu Association, Magyar Ju Jitsu Szövetség, and its founder and President, Istvan Kelemen.

I am both honoured and glad to be here in my capacity as president of the WJJC (World Jiu Jitsu Confederation) and taking part of the celebration, not only for a federation, but for a person, who has devoted practically his whole life to the Martial Art of jujitsu; that is Istvan Kelemen!

It is also difficult to shortly describe what Istvan has done for promoting jujitsu and similar Martial Arts. But certainly he has played a significant role for the development of the Hungarian as well as the international Martial Arts community.

Istvan Kelemen is also one of the founders of our WJJC: Our confederation is not for Olympic elite sportsmen and women, but has a broad sports program for everybody, who wants to practice jujitsu and sports for all.

Istvan is not only a famous sports instructor in jujitsu and Martial Arts. He is also the head instructor for self defense at the Hungarian Anti Terrorist Centre TEK and thus contributes to the civil defense of our society.

This is a very honourable and prestigious position both within Hungary and internationally.

Within our WJJC Istvan is leading our department for personal protection and modern self defense. WJJC is recognized member of TAFISA, The Association for International Sports for All, and our goal is jujitsu for all. TAFISA is the by the IOC recognized international federation for sports for all

Sport is not only a physical exercise, but also one of the best possibilities to create international contacts and to make friendship.

This event and anniversary here today is a manifestation of the great leadership of Istvan Kelmen, who has proved to be a great representative for serious physical exercise in combination with the development of the human character.

Additionally Istvan has also succeeded in building friendly relations and bridges between serious Martial Arts practitioners within the international Martial Arts community.

I hope this Jubilee and 30 years Anniversary will be a memory for all of us guests as well as for Istvan and all his serious students and members of the Hungarian Ju Jitsu Association!

I wish both Istvan and the federation a bright future and a successful further development!

God luck to you all!

Many thanks for your attention!

by Dr. Paul G Hoglund,

President of WJJC (World Jiu Jitsu Confederation, WJJC – Jiujiutsu for All)

### Two dates, two days that by now entered in the story

WJJF NAMA ITALY – WJJF PMA ITALY Saturday 30 and Sunday 31 May 2015,

On the 30 May we had the dan gradings at the Technical headquarters of the Wjjf Pma Italy in Pisa (Mithos gym), at the Dojo of the Shihan A. Colombini, a place in which our loved Soke Clark had organized in the last years many dan gradings.

The exams commission composed by the unavoidable Shike Giacomo Spartaco Bertoletti saw the presence of the main technical masters of the Wjjf/Wjjko that is the masters (Kaicho) David Tony and (Kaicho) Amir Barnea, in addition the Shihan - Hanshi Guido Nicoli and the owner of the house Shihan Andrea Colombini, assisted by the technical national commission of the Wjjf Nama and the complete Wjjf Pma.

More than 30 candidates at the exam who gave the best of themselves in one hot and humid morning but for everyone satisfying.

The day after, the 31 May despite the holiday of the Republic and the coincidence of the regional elections has not impeded to more than 350 athletes to meet in Carrara and participate at the international seminar which saw the presence on six tatami of the above Kaicho and of the other Italian Shihan among them the Shihan Stefano Draghi, Shihan Livio Proia, Shihan Gianni Ronchini and Shihan David Gobbi.

Till the first moments, the energy and the emotions filled the palasport of Avenza, and they made the event even more unique: the children led by the International representative and by the Italian masters, were immediately involved

in the activity of self defence and games, all sharing the passion for ju jitsu. The masters on the tatami exchanged, they showed the different aspects of our martial art.

After the session dedicated to the children, it was held the ceremony of the dan grading with a great satisfaction of our president, Shike Giacomo Spartaco Bertolotti, the athletes have seen crowned their success the exams of the day before. In this festive atmosphere, the president has formalized the 8° Dan to the representative of Ireland and Israel, Kaicho David Toney and Kaicho Amir Barnea, along with the delivery of their red belts edged in black.

In addition the presence of the International Vice president Ijif, Igor Lanzoni, who came specially to bring greetings of the Worldly sports jujitsu.

After the investiture ceremony and after some minutes of break, all the adults gather on 6 tatami for the energy and now so customary training held by Shike Bertolotti.

Immediately divided among the tatami the representative of the Shihan Kai gave demonstration of their skill, fascinating all the participants with techniques and simulations of defence in the real situations. The students and the blue jackets, in this occasion, all students, were impressed by the charisma of the teachers and the effectiveness of what they showed.

We finished almost at 14:00, after more than two hours and half of training were awarded the diploma of participation, as the culmination of a wonderful day spent under the banner of the World Ju Jitsu Federation/World Ju Jitsu Kobudo Organization.

This event, which follows a few month later the event of larger dimensions, held in February in Ireland (1000 athletes) is the evidence that the Wjjf/ Wjjko always exists and is always strong and it must be said to everyone who are trying to "belittle" the legacy of the Soke Clark.

### In memory of Omar Sharif (1932-2015)

The years are running for everybody. The circle of the life is inexorable.

So we can remember the "cainman of the Nile" Omar Sharif, eclectic actor player in life and with the cards – president of the Worldly Federation of Bridge – a man of the world and a great admirer of Italy and of the beautiful women.

I was his guest in 2002 in Luxor (Egypt) on his boat  
Do you say boat? Yes a deep sea yacht, made in precious wood by a famous Italian company.

I want to remember him like this, simply. When we talked about martial arts
