FOREWORD

Technical Excellence in Martial Arts training is one of **USJJF's** top priorities. As Leaders in the Martial Arts, it is our sacred responsibility to ensure that all of our students receive the best possible "Mentoring" both in technique and philosophy of the Martial Arts.

Martial Art Training is the cornerstone of knowledge and the basis for credible self-defense skill and the perfection of human character. Training in a comprehensive taxonomy of Ju-Jitsu Skills is the "Key" by which the USJJF's Members develop their Martial Art Proficiency and exercise the collective capabilities required in self-defense or competition. Martial Art Training builds Character Development and, when necessary, prepares the Ju-Jitsuka to "Win" if or when confrontation (or combat) cannot be avoided.

While Senior Yudansha determine the direction and goals of training, it is the Dojo Sensei (& Assistant Sensei) who ensure that every training activity or class is well planned and rigorously conducted. These Rank Requirements are designed to guide and assist the Sensei to accomplish his or her goals in teaching the **UNITED STATES JU-JITSU ®** system. The **US JU-JITSU ®** Rank System is divided into sixteen separate divisions of training to include:

Posture and Stances	Tachi Waza
Body Movement	Taisabaki Waza
Striking Techniques	Ate Waza
Kicking Techniques	Geri Waza
Blocking Techniques	Uke Waza
Vital Point Techniques	Atemi Waza
Joint Locking Techniques	Kansetsu Waza
Combination Techniques	Renraku Waza
Strangulation Techniques	Shime Waza
Holding Techniques	Osae Waza

Throwing Techniques	Nage Waza
Self-Defense Techniques (counter, escapes, avoidance)	Goshinjitsu Waza (Kaeshi, Fusegi, Furimi)

The **United States Ju-Jitsu Federation (USJJF) ®**, along with the **Panamerican Jiu-Jitsu Federation (PJJF)**, **World Ju-Jitsu Association (WJJA)** & **Martial Arts International Federation (MAIF)**, have established the training doctrine & guidance. The Dojo Sensei should apply these guidelines and assist the USJJF Leadership in the further development & conduct of **UNITED STATES JU-JITSU ®** Training. These **USJJF** Rank Requirements provide the training & promotion guidelines for USJJF Sensei & students in the areas of martial art history, traditions, techniques, strategy & terminology. From these Rank Requirements, the USJJF will formulate and publish a comprehensive training manual and videos for the **US JU-JITSU ®** System.

Our duty as USJJF Leaders is to provide challenging and realistic Martial Arts Training for all of our Members. The National Federation will do its part, and I encourage all US JU-JITSU

Sensei to study, understand, and teach the techniques, as well as the Budo Philosophy presented in this manual and on the USJJF Official Website. Sensei at every level must redouble their commitment to accurate & comprehensive **UNITED STATES JU-JITSU**® Training, remembering, that Technical Excellence is a "Top Priority" in the **United States Ju-Jitsu Federation**.

I express my most sincere respect to the memory of Hanshi George E. Anderson, our Federation's Founder, for his extensive contributions thru-out his life in helping to produce this **US JU-JITSU** Rank System. I would also like to recognize and give thanks to Sensei Robert M. Carver, former USJJF Vice President & current Board Member and for all of his technical input on Ju-Jitsu helping to produce the **US JU-JITSU**® Rank System. And in closing, I also express my sincere thanks to all Members of our USJJF Technical Committee for their input and support in producing this most comprehensive ju-jitsu training guide.

We are pleased to introduce the USJJF Rank Requirements Book and Technical Posters which clearly illustrates the Skills & Techniques of **UNITED STATES JU-JITSU**®.
