USA JIU-JITSU (USAJJ) RANK REQUIREMENTS

Copyright: United States Ju-Jitsu Federation ®, 1999, Reno, NV

FOREWORD

Technical Excellence in Martial Arts training is one of **USJJF's** top priorities. As Leaders in the Martial Arts, it is our sacred responsibility to ensure that all of our students receive the best possible "Mentoring" both in technique and philosophy of the Martial Arts.

Martial Art Training is the cornerstone of knowledge and the basis for credible self-defense skill and the perfection of human character. Training in a comprehensive taxonomy of Ju-Jitsu Skills is the "Key" by which the USJJF's Members develop their Martial Art Proficiency and exercise the collective capabilities required in self-defense or competition. Martial Art Training builds Character Development and, when necessary, prepares the Jiu-Jitsuka to "Win" if or when confrontation (or combat) cannot be avoided.

While Senior Yudansha determine the direction and goals of training, it is the Dojo Sensei (& Assistant Sensei) who ensure that every training activity or class is well planned and rigorously conducted. These Rank Requirements are designed to guide and assist the Sensei to accomplish his or her goals in teaching the **USA JIU-JITSU (USAJJ)** system. The **USAJJ** Rank System for BJJ / GRAPPLING is divided into Nine separate divisions of training to include:

1. Joint Locking	(Kansetsu Waza)
2. Choking Techniques	(Shime Waza)
3. Holding Techniques	(Osae Waza)
4. Break-falling Techniques	(Ukemi Waza)
5. Throwing Techniques	(Nage Waza)
6. <u>Countering Techniques</u>	(Kaeshi Waza)
7. Escapes Techniques	(Fusegi Waza)
8. <u>Self-Defense Techniques</u> (Striking, Kicking, Blocking, Body Move	(Goshinjitsu Waza) ment, Posture and Stances)

9. Competition & Free Practice (Shiai & Randori)

The United States Ju-Jitsu Federation (USJJF) along with the World Ju-Jitsu Federation (WJJF) and World Ju-Jitsu Kobudo Organization (WJJKO). have established the training doctrine & guidance. The Dojo Sensei should apply these guidelines and assist the USJJF Leadership in the further development & conduct of USAJJ Training. These USAJJ Rank Requirements provide the training & promotion guidelines for USJJF Sensei & students in the areas of martial art history, traditions, techniques, strategy & terminology. From these Rank Requirements, the USJJF will formulate and publish a comprehensive training manual and videos for the USAJJ System.

Our duty as USJJF Leaders is to provide challenging and realistic Martial Arts Training for all of our Members. The National Federation will do its part, and I encourage all USJJF Sensei involved in BJJ to study, understand, and teach the techniques, as well as the Budo Philosophy presented in this manual and on the USJJF Official Website. USJJF Sensei involved in the BJJ must redouble their commitment to accurate & comprehensive **USAJJ** training, remembering, that Technical Excellence is a "Top Priority" in the **United States Ju-Jitsu Federation**.

I express my most sincere respect to the memory of Hanshi George E. Anderson, our Federation's Founder, for his extensive contributions thru-out his life in helping to produce this **USA JIU-JITSU** Rank System. I would also like to recognize and give thanks to Sensei Brian Walsh and other members of the USAJJ (BJJ & Grappling) Committee for all their technical input on Brazilian Jiu-Jitsu helping to produce the **USAJJ** Training Curriculum and Rank System. And in closing, I also express my sincere thanks to all Members of our USJJF Technical Committee for their input and support in producing this most comprehensive BJJ training guide.

Bruce R. Bethers, 8th Dan, Shihan President and CEO -United States Ju-Jitsu Federation (USJJF) USA Representative -World Ju-Jitsu Federation (WJJF), World Ju-Jitsu Kobudo Organization (WJJKO),
