Wjjf Israel Celebrates 25 Special Years

'There have been so many significant occasions over the years of the Federation, and so it was important for me to try to create the same magic that we saw at every Congress, year after year.

Soke Clark would always have said it was the training that was key to all of these events. There is something very special when the WJJF-WJJKO family come together, building relationships and experiencing new things in each other's countries. I wanted our special Silver anniversary event to live up to this and so we incorporated 3 very important elements:

The training – doing what we all do best on the mats, with international guest instructors from Ireland, Italy, Finland, Hungary, England, & Poland.

The Gala dinner – an opportunity to acknowledge the hard work of all our members and give them a special, memorable time to relax and socialise in the company of their Federation family.

The experience – a taste of the culture and lifestyle – sharing our country and it's beautiful sights.

We hope all of you who were able to make it, enjoyed!

Kaicho Amir Barnea, WJJF Israel

WJJF Israel want to express our respect for all their hard work and congratulations on their fantastic achievement.

WJJF Israel 25th Anniversary International Seminar also combined a demonstration of juniors and senior students demonstrating empty handed ju-jitsu and self defence techniques incorporating weapons. Everyone worked incredibly hard putting these together and the audience was suitably impressed. Shihan Amir Barnea would like to give his personal thanks to all the participants who took part in building the demonstrations, and at this point also acknowledge the great team of students/ coaches/ friends who helped with all the practical elements of the event, from setting up mats & the centre, to hospitality, transporting guests etc etc

A fantastic number of 300 juniors and seniors came to participate in the seminar & were not disappointed by the array of new techniques shared with them by our guest coaches.

Ms Beryl Miao attended the event and made a special presentation at the course:

"The 25th anniversary of Israel's warm and very special relationship with WJJF and particularly with Soke Robert Clark, has been a very emotional and memorable occasion. 2011 was Robert Clark's last trip abroad, and he knew he would not see the country he admired so much again.

During the last few months of his life we discussed many things, about what his wishes were, about the treasured possessions that were closest to his heart. His Magin David (Star of David) which he wore every day since we bought it in Jerusalem in 1977, which never left his side. he wore

day and night for 35 years. So of course I was honoured and proud to bring it back to Israel this year and in Robert Clark's words 'Bring it home'. Shihan Amir Barnea has been one of Robert Clark's most loyal

and respected students since 1991, and he was honoured to be referred to by Shihan Barnea as like a second father. Therefore it is a privilege for me to hand over the *Magine Davide* to Amir for him to treasure and care for. *Shalom.*”

This was a very touching moment and a great honour.

The course took place on the Friday to allow more time for relaxation, and preparation for the Gala dinner. On the Saturday morning all guests were invited to meet on the beach for Krav Maga. Despite a late evening enjoying the fantastic Israeli food and hospitality, there was a great turn out of guests to take part and the feedback was that this was thoroughly enjoyed by all.

THE GALA DINNER

The Saturday night Gala dinner to celebrate Israel's Silver anniversary was held in the Crowne Plaza, a stunning setting overlooking the beautiful beach. Everyone gathered for pre-dinner drinks and canapes, to provide the opportunity to mingle and get to know one another. Then it was time to be seated, and the evening began with the speeches and special awards. Shike Bertoletti was unable to make the event and so sent a message to be read out on the night. Host, Kai-cho Amir made a touching speech about the fantastic foundations in place for all our members to move forward from. Kai cho for Ireland, David Toney made a presentation to commemorate the special anniversary and Susheyki Stefano Draghi, Italy also made a speech from the heart congratulating WJJF Israel on their success. It was obvious to see the three co-chairmen's passion for Ju-Jitsu and for carrying on Soke Clark and Shike Bertoletti's legacy.

Special guest Soke Auvo Niiniketo, assisted by Shihan Kimmo Tenhunen & Shihan Risto Vantar spoke about their genuine respect for all that Kaicho Amir Barnea had achieved, thanking him for his friendship and wishing him well for the future of WJJF Israel.

Presentations were made to all the international guests and to WJJF Israel members who have shown great loyalty and support over the years. Then it was time to dine and enjoy the rest of the evening. It was an absolutely fantastic evening, thoroughly enjoyed by the guests, all of whom participated fully in the dancing and celebration. **Mazel tov**

Many said it was one of the best WJJF Conventions/Congresses yet!

THE EXPERIENCE

The following day was an early start for everyone, but on the coach for a couple of hours allowed those who needed it, a little nap! All arrived – ready for a big adventure! The guests divided into small groups and donned the obligatory safety goggles! Each were allocated a small jeep and given the safety regulations and then let loose to drive 'off road'. Only the short video clips you will see on Facebook will *almost* do this justice – you have got to try it for yourself! Amazing fun!!

Following this – everybody changed vehicle to raft and set off down the River Jordan – a unique experience. We wanted our guests to go home having shared a really special time with us and so we packed in as much as possible for this day trip.

Next it was time for lunch, at a local restaurant where traditional food was shared among friends and delicious halal ice cream made from dates.

On the way back home, we made a special 'surprise' stop at the Sea of Gallilee – it wasn't easy, but WJJF chiefs have special contacts!! Kaicho Amir arranged for the church to remain open for a little longer to allow the guests to visit. It was a serene, very special, spiritual place – a beautiful and very fitting finish to the day. There were many opportunities over the 18-22 trip (& many extended their stay) to sight-see and enjoy Israel at their leisure. Some visited Jerusalem, others the old city of Jaffa.

One very special stop was made by Kaicho Amir & Senior members of WJJF Israel, accompanied by his Co-chairmen, Soke Niiniketo, Ms Beryl Miao, So-Shihan Dave Flaherty and company.

This was to Caesarea, for a special memorial for Soke Clark. Beryl Miao released some of Soke Clark's ashes into the water there, and Kaicho Amir spoke about how the circle had been completed now – this kind of ceremony, showing respect, had been made in Ireland, Italy and lastly Israel – the home of the 3 co-

chairmen who would strive to carry on his legacy.

Amir described how Soke Clark would love to sit alone at this peaceful place and contemplate.

All who were there felt certain his spirit goes on...

25° Israel Anniversary

Unfortunately due to work commitments, Shike Bertoletti was unable to attend this momentous occasion and so he sent on the following official letter to pass his greetings and respect to Kai cho Barnea and his members. This was read out along with speeches at the Gala dinner of the event. WJJF Israel is a valued member of the organisation, with Soke Clark working personally with Amir and choosing to spend his last Congress ever in the country.

Dear Kaicho/Chairman, Amir Barnea,

this time, unfortunately I cannot be there at your event of the “25 years”, even if I was the “first” who entered in your old dojo – Soke Robert Clark, arrived the day after that.

The reasons could be a lot, but at the same time they are few... my personal appreciation for your work in the development of the ju jitsu, Robert Clark Ha (school) deserves my respect and success. If I did not give this wholeheartedly, I would not have proposed you to be among the “3” chairman who have to estimate all the sides of the kaleidoscopic world of the Wjjf/Wjjko 1976.

Yes, I can not be there, but my feeling will cross the Mediterranean and it will be there with you to honour the event of “a quarter century” which represents, not solely an adventure, but the beginning of a great history. For my part, I'm waiting with your success, for the decisions which in any event will be changing the history of the Federation which with Soke Robert Clark – and no one else - I created.

With love and respect

Internationaler Ju-Jitsu Lehrgang in Wil (SG)

Wir stehen bereit zum Abgrüssen. Die Haare zerzaust, die Kimonos verschwitz und die Muskeln erschöpft - dafür mit einem breiten Lächeln im Gesicht. Der Internationale Jiu-Day in Wil geht zu Ende. Mit fünf Instruktoeren aus drei Kampfkünsten durften wir uns heute vergnügen. Die rund vierzig Teilnehmer wurden aufgeteilt und haben im Turnus mit jedem Lehrer eine Lektion verbracht. Marcel Wenger, unser Gastgeber, unterweiste uns in der dynamischen Anwendung von Beginnerwürfen wie O Soto Gari und Hiza Guruma, mit denen so mancher Dan-Träger noch zu schaffen hatte. Zusammen mit Franz Boadella setzten wir uns mit Fusstritten auseinander, wobei wir einfache Abwehren mit unserem bestehenden Können kombinierten. Im Gegensatz dazu haben wir uns bei Shifu Helmut Schramm in unbekannte Gefilde vorgewagt, als er uns Schlagtechniken und Abwehren aus dem Kung-Fu näherbrachte. Sehr erfrischend waren auch die Stunden mit Paul Küng, den wir zum ersten Mal an einem unserer Lehrgänge willkommen heissen durften und Jörg Eisele, Instruktor der WJJF-Deutschland. Beide unterrichteten uns in Anwendungen von Hebeltechniken mit der vom Ju-Jitsu gewohnten Diversität, welche die Zeit

geradezu dahinschmelzen liess. Viel zu schnell müssen wir uns schon wieder von unseren Kampfsportkameraden aus der Schweiz und Deutschland verabschieden, wobei wir den Tag bei einem fakultativen Abendessen ausklingen lassen. Wir sehen uns spätestens in 2018 wieder oder beim Internationalen Ju-Jitsu-Lehrgang der WJJF Deutschland in Schwäbisch Gmünd am 07. Oktober 2017.

We line up to greet. The Hair is all messed up, the kimonos soaking wet and the muscles exhausted. Yet everyone carries a broad smile on their face. The international Ju-Jitsu Day in Wil comes to an end. Today we had the pleasure of enjoying five instructors from three different martial arts. The roughly forty participants have been split up and spent a lesson with each of the teachers.

Marcel Wenger, our host, tutors us in the dynamic application of basic Judo throws such as O Soto Gari or Hiza Guruma, with which even some of the black belts had their fair amount of trouble. Under Franz Boadellas supervision we grapple with kicks by combining simple parries with the skills we acquired in our years of training. In contrast to that was probably the lesson with Shifu Helmut Schramm who led us into more uncharted territory by teaching us parries and punches from Kung Fu. The last two lessons with Paul Küng, a first-time teacher in the WJJF-Switzerland, and Jörg Eisele, Instructor of the WJJF-Germany were very refreshing as well. Both chose wrist and armlocks as their topic. However, the diversity of Ju-Jitsu made for very different lessons that made the time simply fly by. The day ends smoothly with an optional dinner in a local restaurant where we have to say goodbye to our martial art friends from Switzerland and Germany way too soon. We will meet again in 2018 or at the

The occasion is important to complete that circuit of relations which started last year with suysheki shihan, Stefano Draghi, and after in Rochester NY (USA). When you look around you can see some “old friendly faces” of our Federation: the Belgian Hugo Bleys, the Swedish Mike Wall, to name a few, especially the Great Family, Charles and Sebastien Damhaut. I have to point out the great consideration that John Thiers (Canada) and Alain Sailly have for me, and so they invited me to the central tatami, to develop my hours of ju jitsu. Even on the federal t-shirts my name is on the front line!

And to talk about an Italian edition (Wkf / Wjjf-Wjjko 1976) in 2020, we will probably think about in Gaeta (29-30 September / 1 October 2017). The time of jealousy with other structures is over, or rather it is time to close them. Everyone has to keep his logo and spirit, working at the best with others. And this will be a modern way (gendai budo) to give to the Oriental martial arts a less classical setting.

Why it is so late?

Many people have asked it.

I immediately say, I'd have liked to add some legal docs about the European registration of the logo and believe me not for imitating the campaign of the “Foucault's pendulo” by Umberto Eco.

The reply is simple it should have been the history of the ju jitsu of Wjjf/Wjjko a book with photos of yesterday, today and some of tomorrow.

I hope!
I had to work hard and what you can see is the result of my very difficult last journalist job.

The stories are written at least in the East-mentioning sourcing, dates and facts- to assemble almost 40 years and more of ju jitsu in the world has required a lot of personal memory and personal work.

I really hope that after this very hard job, this book could be useful for the next generation of ju jitsu that – studying from the problems of the past- they could use some teaching with the scope to build a better tomorrow for the Italian and international ju jitsu.

Enjoy your reading !
