### Why “3” - The triumvirate

Many associates/representatives and others have written to me and phoned, asking the reason I established a “triumvirate”, following the diaries of the old Rome, instead of deciding to appoint at the top only one person as chairman/president.

The reply can be found regarding the importance of the number “3” “3” the perfect number

“Cabalistic reasons? Mystery? Rituals? Only practice? Canonical Rhythmic? Magic number? Only superstition? Mystical dogma? Lucifer omen?

It is used to represent many things however simply in the context of our art, it (the number three) is in fact cyclic (as in the three steps in Kata).

Each of these hypothesis, some more some less, has its validity, and without thinking too much we can accept the explanation, (for this is sufficient to read a lot of publications)

I imagine we could soon count on many replies, that even if apparently marginal, could give us interesting revelations.

But in reality it is not like this! After the passing away of the *Soke Dai Robert Clark* (2012), I have had to manage the Federation personally and completely.

First of all, I put my face in the first line, apart from being the president and also a man of *budo*, in every aspect.

Not one arrived as a “mistake”.

I needed 4 years in order to let the Federation grow and to choose a substitution in the hierarchic scale : *Soke, Sho-Dai Robert Clark* (the first) and *Shike GSB*

To find a “second” Ni-Dai is difficult. More than that, it is very difficult. Who has the opportunity to travel every week? to invest time, money for a dream of two “travel companion” of 40° years ago? And with an independent job!

So I have studied the young forces, the third generation and I have chosen *Barnea Amir* (Israel) ; *Draghi Stefano* (Italy); *Toney David* (Ireland)

I stop here !! They will be the “3” *chairmen* and the 5 vice chairmen: *Bruce Bethers* (Usa), *Josef Oberhollenzer* (Germany), *Peter Pace* (Australia), *Hesham Saleh Aljaser* (Kuwait) and *Kozo Kuniba* (Japan); to show their skill and who will be the true successor after the “real” elections will be done in 2020.

I’m happy about my choice. I hope I can persuade you the same and to respect me continuing on the other side of the table simply as *lemoto Kaigi* “founder”.

### At the source of the Bushido

“Our life is short as the flight of an arrow. If the wood is right, it will strike where the Archer wants”

One of his famous followers is *Shiro Saigo* (1866/1922) of *Daito ryu*, passed to *Kodokan Judo* (ju-jitsu). He became one of the strongest champions, before abandoning everything to avoid having to choose one or I ‘ other.

### Kyu- jutsu

Perhaps even more than the sword, katana, bow, yumi and the arrow represent for the ancient Japanese the magic of the spirit of the warrior and the concept of “kyu-sen”. In the mythology we find many enchanted swords, but it is with a magic bow linked to the “god of war *Hachimon*” who *Jimmu Tenno* (711-585 A.C.), the first emperor, conquered the East of the country and the prince *Shotoku* (the prince *Umayado*, known also as *Shōtoku Taishi* 574-622 d.C) kills *Mononobe Moriya* with a sacred arrow restoring peace.

In fact the bow, a shamanic weapon that launches a bridge between earth and heaven –*chi/ten-as* does the lightning of the gods, is present in many *Shinto* ceremonies of purification, like that one held at the sanctuary of the fox god of *Kusamori* or at the opening ceremonies.

### The Concept of “kyu – sen”

A real master doesn’t give demonstration of a second arrow. A Mystery of the East But it is not so incomprehensible.

But the *Kyu-jutsu* is not a game, as it is not a game the dance as art, or the mystic experience. As the prof *Jigoro Kano* (1860 –1938) said, bow and arrow are the value of your heart.

After a brief meditation the archer will widen legs (*ashi bumi*) taking a strong position (*dozukuri*) to observe the target intensely.

Decided with it a visual report he will prepare, he bows (*yugame*) and **nock** the arrow (*uchi okoshi*) holding a second dart in the right, for the tip.

He will raise the weapon above his head starting to handle it with a solemn gesture (*hikiwake*), which

Wjjf/Wjjko member of Wjj Confederation,  
recognized by Tafisa (IOC) 25 OCTOBER 2013

widens and lowers to understand his figure, while ideally imagines to embrace the universe (kwai)

The beauty of this gesture is in performing it without any effort, without muscle tension, even if the bow is “strong”. After a moment the arrow will move, breaking away from the rope and the right arm will balance the movement in the opposite direction, cancelling out the vibration that would disturb the shooting of an inexperienced archer.

This phase (hanare) is the most difficult. Now the archer returns to the starting position and seems to look at the result, but instead reflects on the reality of the past action (zanshin).

It does not matter if the arrow is planted in the middle of the makiwara, on the edge or even has missed the target.

No teacher would consider the audience so insensitive and mean to judge the action in base of the result.

### **Kyoto XVII century, temple Sanjusangen – do**

These arrows come from the temple Sanjusangen – do (Kyoto), bought by me and Angelo Balconi, ichiban and blessed by a Shinto priest. At the same time we remember where between sunrise and sunset of the first seat of challenge the samurai Hoshino Kanzaemon from the province of Higo (Kumamoto), he put the target of 8.000 arrows.

The sun rises in the sky while the arrows fly with a regular basis, throw with a sure hand. The archer and his judges, Shinto priests, remain impassive, but over time the effort begins to mark the samurai face.

Ten years of preparation are the minimum training time for this test in which you can participate only once in life.

### **The ceremony of the “white arrow”**

The bow and arrow are noble weapons and worship instruments. Three are the chairman Amir Barnea, Stefano Draghi, David Toney, who Gsb wanted to co-opt at the 40th Congress of Rome in 2016.

Three are the uchi arrows - or koshi - that a good archer holds in the quiver, **nock** the first; keeping another reserve in his right hand and the third in the quiver.

The priests and witches used the bow and arrow to drive away the spirits. The ceremonial arrows, dissected by a white eagle feathers - shiro - wasi -, represent the spirit of the heart and the union.

“The heart can not stop,” as the spirit of the arrow when it leaves hanare.

And this is what is expected from the three Chairmen: GSB co-founder, Hiemoto Kaigi with Soke Dai Robert “Bob” Clark (1946 - 2012) of “WJJF / Wjjko 1976” It remains to be sure that the arrow shot from the dissected white eagle “depart for studying the” Way “every day and remains modest”.

### **“40 years of honour and glory”**

Could be yesterday or maybe tomorrow! when I met sensei- today Soke - Auvo Niiniketo in Liverpool, who was visiting the then Headquarters of the Wjjf.

A “warrior” physique, casual clothing... and the detail he only spoke Finnish. I remember that soke Robert Clark (1946-2012), said to me: “Spartaco doesn’t speak Finnish!”

And you know it is not really simple to understand one of the most difficult languages in the world!!

But that was yesterday!!

Today from the 11th to the 12th March 2017, we are celebrating the “40th Anniversary of Hokutoryu ju-jutsu”, The Northern style; more appropriate ryu of the constellation of Orion, the star of the samurai.

How many events have passed in these 40 years to remember and remembering I’d like to focus on the delivery to the Founder (soke) of the Hokutoryu of the 10th dan menjio (ju dan) which took place in Helsinki in 2015.

There were present many authorities: the president of the Fias Sambo, Vasily Shestakov (Russia) and the president Wjj Confederation doct . Paul Hoglund (Sweden).

Why do I linger on this event?

The noble spirit of Soke Auvo Niiniketo, Commander of the Order of Malta, Grand Cross order of the Roman Eagle - the first order in the history dated Caio Mario (157 b.C.-86 b.C.). Caio Julius Caesar (101 BC-44 BC) - it is marked by a sense of humility- giri.

Few today, almost no one to be clear, would have expected that one organization over the parts will confer the highest degree (10) of the pyramid of the dan menjio created by the professor Jigoro Kano (1860-1938), that to be always the ichi ban, the number one, Auvo Niiniketo granted the 12 dan, ju nin dan menjio. And the “two levels” represented the value for the passage of the degree: the 10th delivers the 8th, the 8th the 6th etc.

Yes, I’m honoured I was the spokesman for that grade with the Wjj Confederation which later gave in Budapest the 10th dan to Soke Istvan Kelemen (2016).

During the celebrations of our-my- 40th anniversary of the “Wjjf/Wjjko 1976” in Rome (9-10-11 June 2016) I received the 10th dan, from two illustrious colleagues Soke Auvo Niiniketo and Istvan Kelemen.

I have to add that I felt invested with a role that did not suit me... but the personality and the great friendship with your founder and master Auvo Niiniketo, led me to accept this honour, that I do not deserve.

“A great man has to have at his side a great woman”, an old proverb said , and in this success of these 40 long years or short, of the Hoku- to Ryu, Sonia Raasinia gave a touch of class to the Soke Auvo Ni-

### Stage in Schio: Norcia viva

Pala Romare di Schio 18/19 marzo.

W Norcia Viva - Adotta una palestra a Norcia. (Adopts a gym in Norcia)

This weekend, 18-19 March, saw the gathering of the Italian 'clan' in support of Shihan Livio Cesare Proia and his group, following the disastrous earthquake which destroyed his dojo. The event was the 30th year of the Coppa Italia in Ju-Jitsu.

Unfortunately Shike Giacomo Spartaco Bertoletti was unable to attend as he had a prior engagement at the 15<sup>th</sup> Memorial of his dear friend, Renato de Ronzi, that Soke Clark and Gsb had in 2002 granted the title of Soke for Arashi dojo. The three chairmen would like to pass on to Shihan Roberto and his family their sincere good wishes and let him know they are thinking of him.

There were over 300 in attendance and, although Shike's enthusiasm and direction on the mats was missed - this did not stop the participants giving

the programme their all.

The children, as always, were excited and motivated and keen to learn and the adults, it is fair to say 'left everything on the mats'!

Along with myself representing Ireland, fellow co-chairmen Kaicho Amir Barnea, Israel, and **Syuseki** Stefano Draghi, Italy - Shihan Kamen Radev attended from Bulgaria and also several of Italy's top Instructors

On Sunday the event continued with Kata, kick Jitsu and Grappling competitions and another course which was a great success.

Grazie to Susheki Stefano Draghi, Shihan Livio, his group and all involved in the organisation of this event for their hospitality and a fantastic weekend.

Kai cho Ireland – David Toney.

### Not to forget

"No one dies on earth as long as he lives in the hearts of those who remain."

The last 19 March the wonderful building PalaFiom of Taranto, was the scene of a wonderful and evocative event that, certainly, will leave an unforgettable memory for those who have had the pleasure and fortune to participate.

In fact, thanks to the Association Amateur Sports "Dojo Arashi Taranto", whose pulsating soul is the great master Roberto De Ronzi, there was the national demonstration C.S.E.N. Karate, in the context of the 12th Memorial "Pino Pozzessere" - Trophy Rainbow kata- and the 15 ° Memorial "Soke Renato De Ronzi" - Kata agonists M / F.

In cooperation with the Puglia Region, the City of Taranto, the Regional Committee Pugliese Coni, the National Csen Presidency, the Regional Committee Pugliese Csen, the Provincial Taranto Csen Committee, the Regional Committee Pugliese Karate Fijlkam, the WJJKO / WJJF and the Aiga (Italian Young Lawyers Association) Taranto section, created a really exciting event from all points of view, because of the sensibility of the organizers, known to all, made possible to live a very exciting day, both technical and emotional, with the presence of 38 sport societies and more than 700 athletes and an audience that has invaded the beautiful PalaFiom.

Master Roberto De Ronzi, since the first edition, said that this Memorial is organized with the aim of enhancing young people, through martial arts, always an healthy and vital means for sporting and hu-

### Wjjf Ireland Annual 1st Aid Courses

Recently, at St John Ambulance Headquarters in Belfast, twenty WJJF Ireland coaches attended to update their qualifications in First Aid, which needs to be repeated every three years in the UK.

The Federation in Ireland are lucky in that the head coach for this is also Principal Coach for Ireland, Hanshi Alan Petticrew, and so the group can have specially tailored attention and gearing the training to be sport-specific for the type of injuries that are more likely to be incurred in Ju-Jitsu. A lot of the clubs, including the Dojo, Headquarters and the NIJJA – the Governing Body here in Northern Ireland – recently have received funding for new Difibulators, following recent media coverage of young fit sports people with hidden heart problems, and training on the use of these was also given.

Hanshi Petticrew provides this course every year voluntarily to support the coaches in the Federation and the Governing Body subsidises the cost of the course. We would like to thank both for their continued contribution to our Federation.

man growth. Moreover, in doing so, it keeps alive the memory of two men who made ethical rigor and seriousness their aim.

Soon after, in an atmosphere of great emotion, Master De Ronzi announced the extraordinary presence of the Shike Giacomo Spartaco Bertoletti, 5th Shike of Koden School Enshinryu, Honmon - Enshinryu Bujutsu, 9th dan and founder WJJF / Wjjko and Director the Samurai Magazine. The Master Bertoletti is a true world authority in the field of martial arts and sports publishing and his sensitivity is equal to his technical skills.

To talk about this great character would not be enough ink rivers, as his charisma and his experience represent a precise point for all true lovers of oriental disciplines. His preparation in combination with his sympathy makes him a truly unique and special man.

The day before, a great seminar of Jujitsu was held with Master Roberto De Ronzi, 8th dan -menjio -Wjjko / WJJF, Master Teacher Founder of Krav Maga Tactical Defense. An unique opportunity, because it saw two important protagonists, experts of this noble discipline, which left the suspense in the participants, who were able to enjoy a truly remarkable moment. The stage saw a massive turnout of participants, happy and with great satisfaction even if they worked very hard.

Shike Bertoletti gave a wonderful performance in a charming atmosphere, in a quiet silence even from the children. He started with the splendid Kokoro No Samurai. In feudal Japan, before the Battle of
